

Auburn Rotary Club Scholarship

About the Donor

We support vocational education because it provides young people with options after high school. For many of them, college may not be the best fit. In addition, learning a skilled trade can help them move toward economic freedom more quickly because they can earn a living as they develop their skills, and they don't have the burden of college debt.

Eligibility Criteria

DeKalb High School Seniors that are planning to pursue education past high school are eligible for a \$1500 grant. Preferential consideration will be given to students that are seeking a technical or vocational post high school training.

* Auburn Rotary has two (2), \$1500 scholarships available to pursue their post education endeavors. Students interested in a scholarship should contact their Guidance Director.

Applicant must also:

- Have a good academic record and SAT scores
- Have clearly stated goals and objectives
- Be involved in extra-curricular activities (school, community and volunteer)
- Be a resident of DeKalb County, Indiana
- Have been accepted to an accredited school and plan to attend in fall of the current year

Required Forms

- Scholarship Cover Page
- Completed Application
- High School Transcript (including SAT scores and rank in class)

Deadline to Apply

Deadline is January 31st. Please submit your application and required documents to Program@CFDeKalb.org.
